

HANDOUT 12 REGISTRATION AND PARTICIPATION PROFILE

Introduction

This document is the intake form for future participants. It will be placed on the registration website for future participants. It is intended to identify prior experience and needs as well as expectations of future participants.

Although trainers will not use this questionnaire, it is important for trainers to know what information they can expect about future participants.

Registration and participant profile

Introduction

This questionnaire is intended to gain insight into the background of future participants in the course. The information will be kept private and will be used solely to improve the quality of the course.

Completing the questionnaire will take up approximately 10 minutes.

Background

1. Last name: ...
2. First name: ...
3. Initials: ...
4. Address
 - a) street: ...
 - b) house number: ...
 - c) city: ...
 - d) postcode
 - e) country: ...
