

## Dialogue - Why Say Anything?

**A** I just have this gut feeling that it's not right, but I can't say why.

**B** Look, we can discuss it until we're blue in the face, they just won't listen.

**A** Maybe we should organize a demonstration.

**B** But then which one of us will give the speech?

**A** Not me, that's for sure, I can't talk to an audience.

**B** Not me, either, people always laugh at my mistakes.

**A** No wonder, sometimes they're pretty funny!

**B** Hey, let's get back on track.

**A** OK, so who is going to stand up to them?

**B** I can't do it, my voice is too soft.

**A** Me neither, I don't want to get arrested.

**B** They are going to go through with it anyway, no matter what we say.

**A** All right then, let's get back to our own business.
