

The image shows a vibrant university campus. In the foreground, a large, dark sculpture of a bird with its wings spread is mounted on a white, tiered pedestal. To the left of the pedestal, a sculpture of a deer with large antlers stands on a small, dark, rocky outcrop. The ground is paved with a large, bright yellow square and a green square. In the background, a modern, multi-story building with a dark roof and balconies is visible, surrounded by lush green trees. Several people are walking on the paved area. The sky is clear and blue.
