## International Summer University of Nice (UIEN)

### LANGUAGE and CULTURE COURSES: FRENCH AS A FOREIGN LANGUAGE (FLE), ENGLISH and RUSSIAN

The UIEN organizes intensive courses that aim to develop students' oral and written skills, as well as their knowledge of the culture of the language studied. All students are welcome, including complete beginners. Classes will take place at the Saint-Jean d'Angély Campus.

### UTASK-BASED APPROACH

All courses are developed according to the directives of the Common European Framework of Reference for Languages (CEFR).

### SOCIOCULTURAL ACTIVITIES

Many cultural and sporting activities are organized to reinforce learning and to allow our students to discover the rich culture of the region: a visit to the Lérins islands, a tour around the old town of Nice and various conferences. Some activities are included in the registration fee, and others are offered at a preferential rate.
