# International Lecture Series – ILaP–InGE Project: “SDG 4.7 & Global Education”

Mondays, 20/04/26–13/07/26  
(bi-weekly); 1:00–2:00pm (CET),  
online (via ZOOM)

Join educators and students from around the world as they explore the global relevance of (virtual) education and the UN Sustainable Development Goal 4.7 (inclusive, equitable education and awareness of sustainable development). The online lecture series offers diverse perspectives, intercultural dialogue, and examples of good practice. Be part of the conversation and help shape the future of education!
